

Thank you for choosing The Children's Wish Foundation of Canada to be the recipient of your generous donation.

**Your donation has helped grant a very special wish:**

**December 2008 will always be a treasured memory for 3-year-old Megan and her family, who spent time together at land and at sea on a Disney Adventure Cruise. It was truly a trip of a lifetime!**

For more than 24 years The Children's Wish Foundation of Canada has been responsible for bringing special moments of joy into the lives of over 14,300 children coping with high risk, life-threatening illnesses across Canada. All of these children have realized their most heartfelt dreams because of our wonderful supporters.

The Foundation owes its success to the hundreds of thousands of Canadians who have contributed their time, talents and financial contributions over the years to help us make wishes come true. We are extremely proud to have fulfilled more wishes for children in Canada than any other wish-granting agency. This would not be possible without your support.

When life presents its most difficult challenge, a wish brings hope for tomorrow. Thank you for helping create the magic of a wish.
