Dear Stacey,

Our annual *Sit Stay Bid! Auction* that took place on June 18th, was one of our most successful yet and we have you to thank for it! We successfully raised \$20,000. All of the funds raised at the auction go directly towards funding our Dog Guide programs.

As you may know, Lions Foundation of Canada is a national charity that provides Dog Guides to Canadians with medical or physical disabilities. Since 1983, the lives of hundreds of people have been enriched by the services of specially trained Dog Guides.

I am also proud to announce that we now have five distinct programs: Canine Vision, Hearing Ear, Special Skills, Seizure Response, and our newest program, Autism Assistance Dog Guides. Lions Foundation does not receive any government funding, and depends entirely on donations to support its mission.

Thank you once again for being part of our fundraising success. Please take pride in knowing your donation has helped make a difference.

Sincerely,

David Nash
Event & Volunteer Manager

Thanks Stacey! Hopefully the tickets will make it there next year!
