I am writing on behalf of Little Mountaineers Cooperative Preschool, licence #23057. We would like extend a sincere thank you for the gift card donated by your company in support of our Spaghetti Supper Fundraiser and Silent Auction. Our dinner was a great success having raised more than \$5000 which will be entirely put back into Little Mountaineers. Your generosity will help better the preschool education and experience that our children receive.

On behalf of the teachers and children of our school we thank you for the very generous support you have provided to us.

Yours truly,

Christine DeGregorio

Vice-President
