

*It takes a community
to raise a family...*

Dear Stacey:

Thank you for supporting Milton Community Resource Centre's Fun Fair 2010. With hundreds of families in attendance, and over 750 hours of volunteer time, the day was a great success. Please find enclosed your charitable donation receipt.

With your help, Milton Community Resource Centre was able to raise over **\$16,000** at Fun Fair. With Milton's rapid growth, we are seeing more and more new families in our programs. The funds raised at Fun Fair will be used to provide resources and materials for the services that we currently provide.

Milton Community Resource Centre programs include:

- Before and After School programs
- Bronte Street School
- Bruce Trail Early Learning and Child Care Centre
- Cherish Private Home Child Care
- Family Resource Programs
- Nursery School (Bronte Street & Campbellville)
- Ontario Early Years Centre, including Parent Resource Library
- School Age Summer Day Camp
- The Halton Resource Connection.

Thank you again for your support.

Yours truly,

Lee-Ann Babin
Volunteer and Resource Development Coordinator
