Dear Kevin:

On behalf of the Box Grove Community Association and the Festival Planning Committee, please accept our heartfelt gratitude for your support of the first Box Grove Community Festival. Your participation as a Silver Sponsor donating free pet food and snacks and by bringing a bunny for kids to interact with helped to make the event a great success.

On Saturday, August 13th over 300 residents, along with friends and family, gathered at the Box Grove Community Centre and enjoyed an afternoon of good food, music and lots of activities for kids big and small. A number of local community groups and businesses were also there raising awareness about their services and providing guests with special deals for attending. Furthermore, excitement was generated by the prize draws that happened every ½ hour of the event.

Like many things, the Box Grove Community Festival started out as an idea with a simple goal and that was to give the community an opportunity to meet and socialize with their neighbours. With the rapid pace of life and with Box Grove quickly growing to its current population of 6,107+, meeting your neighbours can be difficult. Recognizing that, a dozen enthusiastic and engaged residents along with the Box Grove Community Association dedicated their time and energy to turn that idea into reality, but it could not have become as successful as it was without the dedicated support of our local business community. And it can only get better from here.

Enclosed is a copy of our *Thanks to our Sponsors* sign that was displayed at the Festival and in addition, we've enclosed a sample of pictures for you to enjoy. More pictures will be available on our website at www.boxgrove.ca soon.

Thank you again for making an investment in our community and for helping to make Box Grove a great place to live, work and play.

Kind regards,

Sherry Hugh, Chair
