Dear Stacey,

On behalf of Lions Foundation of Canada Dog Guides and the Milton Organizing Committee, we would like to offer our thanks for your support of the *Purina Walk for Dog Guides* in Milton on May 29, 2011. We are happy to report that to date we have raised approximately \$4000 and hope to grow that number before our fiscal year end on June 30th.

The foundation based in Oakville, Ontario trains and provides five types of Dog Guides – Canine Vision Dog Guides, Hearing Ear Dog Guides, Special Skills Dog Guides, Seizure Response Dog Guides and Autism Assistance Dog Guides. Lions Foundation of Canada Dog Guides receives no government funding and depends entirely on donations and fundraising events. The *Purina Walk for Dog Guides* is a national event with over 200 Walks in various communities across Canada. This is the Foundation's largest single fundraiser – truly a lifeline.

The tasks that each Dog Guide can carry out – guiding someone through rush-hour traffic; alerting a new mother that her baby is crying; or helping someone into bed each night – are impressive in themselves, however our clients tell us time and again that the Dog Guide's value is not just a sum of his/her skills. By instilling confidence and being a devoted presence around the clock, Dog Guides change their handlers' lives – strengthening connections to the people, places and sounds around them fostering their independence and self-respect.

We hope to continue our relationship with you again next year. Thank you so much-your contribution is truly making a difference.

Sincerely,
